CARTER ESTATE MALBEC

The tannins are full and rounded with the smoky nuances of new American and French oak that marry the fruit to the fine structure of the wine giving it a gorgeous dimension of finesse and complexity. Crafted to reflect the “suave” side of Malbec, this wine packs loads of character and rich depth that make this a “go to” wine, especially when considering a Malbec. Enjoy Carter Estate Malbec with grilled or roasted meats, stews or pasta dishes.
